Which interface community/communities are you active within?

What kind of work does your group do within this area?

What work, if any, is your group/organisation involved in which addresses the relationships between interface communities in your area?

### **Mission Statement**

Belfast Interface Project (BIP) is a membership organisation which aims to support the development of creative approaches towards the regeneration of Belfast's interface areas.

Our overall vision is of a Belfast in which interface communities:

- Are free of intercommunity tension, intimidation and violence;
- Have come to terms with the legacies of the past;
- Are socially and economically vibrant, within an attractive physical environment;
- Enjoy freedom of movement in accessing facilities and services
- Have respect for cultural difference and diversity

**Do you subscribe to BIP's mission statement?** YES/NO

Note: This application form should be signed by two members of your group, of which one should be the chairperson.
