Which interface community/communities do you actively work within?

What kind of work do you do within this area?

What work are you involved in which addresses the relationships between interface communities in your area?

Mission Statement

Belfast Interface Project (BIP) is a membership organisation which aims to support the development of creative approaches towards the regeneration of Belfast's interface areas.

Our overall vision is of a Belfast in which interface communities:

- Are free of intercommunity tension, intimidation and violence;
- Have come to terms with the legacies of the past;
- Are socially and economically vibrant, within an attractive physical environment;
- Enjoy freedom of movement in accessing facilities and services
- Have respect for cultural difference and diversity

Do you subscribe to BIP's mission statement? YES/NO
